| Daniela | Aidley |  | 23.04.1976 | mail@daniela.org.uk | 017630147199 | Considering taking part in the 2-person relay, but still need a running partner. I'm a slow runner with the main goal of "persevering and arriving"; I've run two marathons so far, but would now like to try something longer. |  |
| Ulrich | Haupt | Bayreuth | 24.10 .66 | karaya2001@freenet.de | 01724299015 | Would be interested in the 10 relay, also like to run 2 sections. For another (short section) my partner would also jump in. |  |
| John | Stade |  | 10.04.1980 | john.stade@gmx.de | 01703029693 | Here are two runners who would like to run the 10 -runner relay. Section doesn't matter. We would want to fill teams or join a team together. Best regards |  |
